

CATALYST

Leading Sustainable Systems and
Business Transformation

Welcome to the Catalyst Newsletter!

CATALYST is an EU-funded project that offers a wide range of vocational education and training (VET) in the context of sustainability management. Moreover, CATALYST will develop a European learning platform and establish a corresponding network of businesses, education and science.

The European CATALYST Centre of Vocational Excellence will offer a wide range of online and offline courses enabling skill building in areas such as Sustainable Leadership, Sustainable Business Models as well as Organisational Development.

Apart from knowledge transfer, CATALYST facilitates an international network exchange to build interdisciplinary partnerships, launch innovative pilot projects and create synergies in order to apply acquired knowledge directly into practice.

CATALYST supports organisations in positioning strategically and future-oriented while providing clarity and guidance.

Stay tuned for the next newsletters to learn more and sign up for our offers. We are looking forward to engaging with you!

Platform launch

Your CATALYST to Sustainable Transformation Has Been Launched – Check it Out Now!

Are you a professional, entrepreneur, or student looking to sharpen your skills for sustainable transformation? Over the past two years, our CATALYST project has developed an innovative educational platform with an extensive range of courses, services, and networking opportunities to support with the knowledge and skills needed to lead the way in sustainable business transformation.

In November 2024, the CATALYST project officially launched its innovative educational online platform, bringing together over 80 participants from across Europe in a hybrid event held in Wuppertal, Germany and online. The platform aims to address one of the biggest barriers for businesses in driving sustainable transformation: limited access to expertise.

Project meeting in Athens

We had an incredible time in Athens for our 5th project meeting!

Our video captures the essence of this inspiring event – from engaging workshops and exploring ancient Athens to an unforgettable dinner night filled with laughter and positive vibes.

The CATALYST project is all about fostering sustainability, innovation, and collaboration. Our time in Athens truly embodied these values as we worked together to drive forward our mission of creating sustainable systems and transforming businesses across Europe.

Thank you to all the partners who joined us and made this meeting so special. Let's keep the momentum going and continue to be catalysts for positive change!

Wuppertal International Event

Your CATALYST to Sustainable Transformation:
Building Future Competences

Prof. Dr. Phoebe Koundouri
Keynote Speaker

6th November | 18:00 PM
Start-up Centre of Bergische
Universität Wuppertal & Online

**“Education for Sustainability Transformation:
A systems approach”**

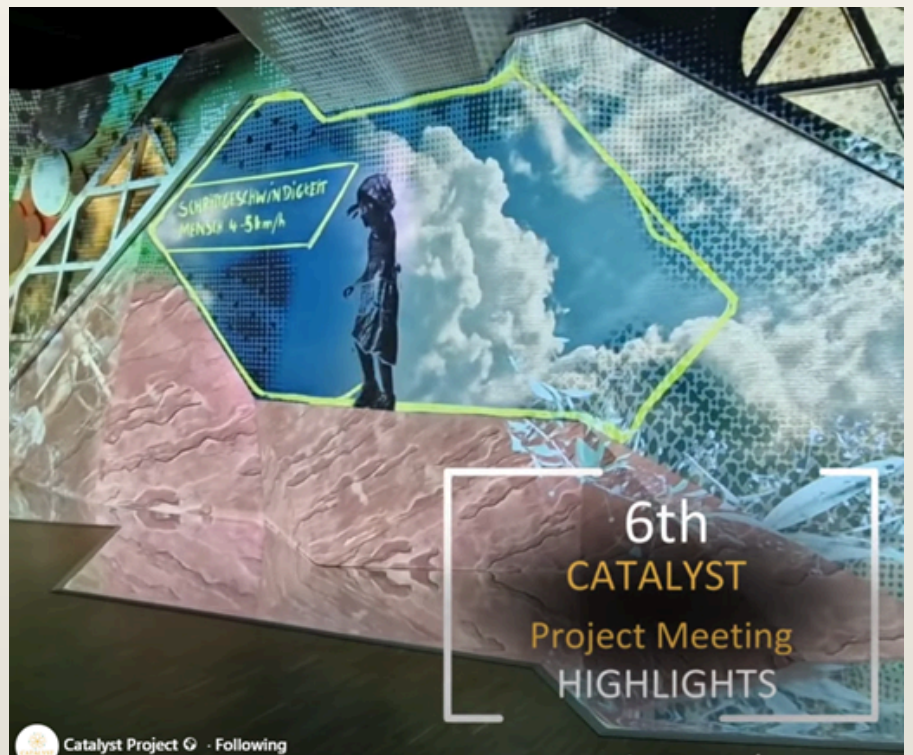

We're honored to have Prof. Dr. Phoebe Koundouri join us as a keynote speaker at our international event in Wuppertal! A global leader in sustainable development and listed among Stanford University's Top 2% of world scientists, Dr. Koundouri brings an exceptional perspective on the future of sustainability.

Don't miss this inspiring session with one of the world's leading environmental and economic resilience voices.

Wuppertal Project meeting

From 5th to 7th November, the CATALYST partners came together in Wuppertal for an inspiring and productive project meeting. These gatherings are more than just discussions—they're an opportunity to bond, share ideas, and collaboratively plan the next steps toward building a more sustainable future.
